### Dear Members

This financial year didn't start out very well for the club industry with clubs being closed from 23rd March to 1st June 2020. The outcome of this closure for our club was unsure as it was unchartered territory and we could only sit back and see what our position after reopening. The Jobkeeper subsidy by the Federal Government assisted us in retaining the current staff at the time of reopening. The lockdown gave us the opportunity to improve our facilities like re-carpeting the club due to the storm damage from the previous year, expanding the TAB area and painting the interior of the club. I must praise and thank our staff for their efforts they put in during the closedown by actively performing jobs around the club especially the painting of the club interior.

On the financial front the club performed tremendously well even despite the imposed 2 month lock down. The overall profit of \$391,300 compared to previous year of \$100,549 but with this extraordinary high figure we must take in to account the \$328,809 received in government grants and rebates. The readjusted profit as calculated by our accountants was \$166,034 which is still a very good result. We have injected most of our cash reserves in completing the renovations around the club and repaying our bank loan to the NAB this giving us a lot of confidence at this point that we are in a very strong financial position.

With the uncertainty in NSW OF COVID restrictions and the possibility of further imposed lockdowns, it is essential that we be conservative in our spending and build up our cash reserves until things become more stable and predictable. I would just like to mention that some smaller clubs in Sydney that are already in the second month of imposed lockdowns are now at financial breaking point and their outlook of continuing solvent looking rather bleak. I will add that I attended the recent ClubsNSW's AGM conference and their struggles was emphasised by the CEO of ClubsNSW's Mr Josh Landis delivering a visibly emotional brief on their current status.

I would like to thank my board of directors for all their efforts this year performing tasks that is required of them to fulfil their role as a director of the club. A special mention of thank you to Bob and Geraldine Ahlsen for their assistance with our club raffles plus the members who also help out when things are very busy and green renovation time.

Also I would like to thank our Secretary Manager Phil Pereira his deputy Jamie Lee and their staff for the exceptional efforts they have put in over this last year to make our club one that people want to come to and enjoy and our members are proud to say it's their club.

I want to also thank Mark Casey and the bowls committee for their efforts in fostering bowls at our club, this is highlighted by the many bowlers from other clubs playing in our galas and resulting in a lot of new bowlers wanting to play on a permanent basis at Hamilton North.

I want to congratulate our Midweek Grade 2 Pennant Team for their effort in winning their section of the competition well done team great effort.

I would also like to remember all our members, including John Dawson who was a valued member of the board who passed away during the year. They are greatly missed, and our condolences still go out to their families.

In closing I just want to say that the club is fortunate that it is in a very strong financial position. We don't know what the immediate future holds for us but one thing for certain is that we will emerge from this pandemic as a bigger and better club, a club that that you are proud to be a member of.

Max Moran President.

# Treasurers Report

### Dear Members

It is with pleasure I announce a recorded accounting profit of \$391,300, however when income from extraordinary items ( Job keeper, Grants, Insurance settlement) are taken into consideration the accounting profit for the period is a very healthy profit of \$166,034, which is a \$65,485 increase on the previous year. The result for our club is extremely pleasing, most importantly the many improvements, installation of the new bar, updated kitchen equipment, ice machine, glass washers, purchase of new tables for the auditorium just to name a few. I am proud to say these many improvements have been achieved through our cash flow process which allowed us to achieve without borrowing and I can say confidently our cash flow is still strong.

Gaming over the year has provided immense support to our bottom line also support from our sponsored sporting bodies continues to grow as is the Poker and Trivia supporters.

Whilst our social member base provides strong support more is needed from full bowling members. The current bowls committee is doing a great job but needs more help from full members if we wish to truly reach our potential.

The bar staff have carried out their duties under some trying conditions over the past year and I congratulate you, I must also say our staff look very professional in their new uniforms.

It is our intention to consolidate our position and continue to grow the club; hopefully Covid does not become more of an obstacle.

Main issues on the agenda for the coming year are to improve lighting along Parkside Avenue for pedestrians and mobility scooters. At our front entrance on Boreas Rd. we need to install Disability access / egress for our patrons also a pickup / drop off no parking zone. These issues are already being negotiated with Council. To my fellow Board Members thank you for your support throughout our first term, I look forward to a promising future. Max and Phil good leadership well done.

Yours faithfully Len Stowe Treasurer

# Secretary Managers Report

To the members of Hamilton North Bowling Club.

It gives me great pleasure to present the 2020 – 21 annual report for the members of Hamilton North Bowling Club.

I was hoping to report as if the Covid - 19 was all behind us. Unfortunately, as you are well and truly aware, this is not the case. Having said this, we have been fortunate that we have been able to trade with some great success. It is a great indication of the hard work we have all been putting in, not just at a club level but at a covid level. We have, together with all the clubs in Newcastle, been vigilant in providing a clean and sanitary environment for members and patrons to feel safe and protected from this dreaded virus. We thank you for your support and of course your adherence to the constant changing restrictions that are imposed on us due to this Covid pandemic. With fingers crossed we hope to see the virus under control in the not-too-distant future.

Our net profit for the year including extraordinary items is \$391 300 with our operating profit being \$62 492.

## Bar

Total bar sales have decreased by \$134,352 from last year at \$1,126 640. This is not of concern due to the fact the club was not operational for 2 months of the financial year due to the covid pandemic.

## Gaming

Total gaming revenue has increased by \$141,127 to \$905,944.

### Bistro

Nick and Brad have again shown us that they are well in tune with our clientele providing great meals at affordable prices. A good rule of thumb on how good your bistro is going is on how many patrons attend the weekly trivia nights. I'm happy to report that we easily see over 100 attendees to the trivia. Well done guys

Continued next Page.....

## Bowls

Bowls remains strong with full member bowling numbers at 150 bowlers and the 2 Grade winning the midweek pennants. Congratulations to all club game winners for 2020.

## Renovations

As I write this report we are well and truly near completion of the bar renovations. The new bar is now geared up for the busy periods which will assist us reducing line ups and making service quicker. The 20-tap beer font will allow us to increase our craft beer availability to coincide with the growing market, without effecting our brewery rebate.

## Sponsorships

This year we continued to support a long list of sporting teams who, in turn, support us. These include: The Tigers hockey club, Waratah's Rugby Union men's and ladies, Wolves Soft Ball, 2 x Azzuri all age soccer teams, 1 x NC&S cricket team and 5 x Hamilton District darts teams. We wish these teams success in their future competitions and value their support.

## Thank You

I would like to again thank the members for your support throughout the year. Also the current board, who share the vision of creating a better and more modern facility for members to come and enjoy,

I would like to recognise and thank: Geraldine Ahlsen's work in assisting our 4 raffles on a weekly basis, Sue Dawson together with Geraldine for putting up the Christmas decorations, and the Bowl's Committee for your great volunteer work through the year.

Last, but not least, I would like to thank Jamie, Richard and Mark and the rest of the Bar staff. They have worked beyond the call of duty especially during the bar renovations. I cannot thank you enough

Yours in bowls, Phil Pereira Secretary Manager

The financial statements are special purpose report prepared for use by directors and members. The directors have determined that the company is not a reporting entity.

The statements are prepared on an accruals basis. They are based on historic costs and do not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

No Australian Accounting Standards ,Australian Accounting Interpretations Views or other authoritative pronouncements of the Australian Accounting Standards Board have been intentionally applied.

#### a) Income Tax:

There is no liability for income tax as the club claims exemption as a sporting club under section 50-45 of the Income Tax Assessments Act 1997.

#### b) Property, Plant and Equipment:

The value of the land included is at independent valuation, based on a valuation prepared by Colliers International in September 2013.

The freehold improvements, plant and equipment, and all other assets are included at historical cost.

The Directors have obtained a replacement asset valuation for the property, plant and equipment, and all other assets for insurance and finance purposes. As it was for insurance and finance purposes only, the valuation is not reflects in the accounts. Depreciation is calculated on a diminishing value basis to write off the net cost of each item of property, plant and equipment (excluding land) over their useful lives.

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the Co-operative. Gains and losses between the carrying amount and the disposal proceeds are taken to the profit or loss.

#### c) Cash and Cash equivalents:

Cash and Cash Equivalents include cash on hand, deposits at call with financial institutions, other short term, and other highly liquid investments which are not subject to an insignificant risk of changes in value.

#### d) Trade and Other Receivables:

#### f) Trade and other Payables:

These amounts represent liabilities for goods and services provided to the Co-Operative prior to the end of the financial year and which are unpaid.

These notes should be read in conjunction with the attached compilation report.

#### g) Borrowings:

Loans and Borrowings are recognised at the fair value of the consideration received, net of transaction costs. Where there is an unconditional right to defer settlement of the liability for at least 12 months after the reporting date, the loans or borrowings are classified as non - current.

#### h) Provisions:

Provisions are recognised when the Co-Operative has a present (legal or constructive) obligation as a result of a past event, it is probable the Co-operative will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation.

#### i) Employee Benefits:

#### **Annual Leave:**

Liabilities for salaries and wages, including non-monetary benefits and annual leave expected to be settled in 12 months of reporting date are recognised in current liabilities in respect of employees services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled.
